The Independent Film & Television Alliance® (IFTA®)

IFTA is the global trade association of the independent motion picture and television industry and the voice and advocate for the Independents worldwide. Representing more than 140 companies in 22 countries, IFTA's Members are the world's foremost independent production and distribution companies, sales agents, and institutions engaged in film finance. For more than 35 years, IFTA Members have produced, distributed and financed many of the world's most prominent films, 23 of which have won the Academy Award® for "Best Picture". Collectively, IFTA Members produce more than 4500 independent films and countless hours of programming for television and streaming platforms each year which generate more than \$4.5 billion in sales revenues annually. IFTA actively speaks out and lobbies U.S. and international government officials on critical matters directly affecting the Independents and their business in an ever-changing and challenging global marketplace. Among many other industry services, IFTA produces the world's largest motion picture trade event, the American Film Market® (AFM®), which takes place every November in Santa Monica, CA.
